STATEMENT OF FAITH

The Church Academy (TCA) accepts the Bible as the revealed will of God, as the all-sufficient rule of faith and practice for the purpose of fulfilling God's mission. *All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; so that the man of God may be adequate, Equipped for every good work.* – 2 Timothy 3:16-17

THE CHURCH ACADEMY'S BELIEFS

The high standards of TCA are always expanding through academic evaluations of curriculum, teaching techniques, and individual classes within our school's program. Also, students are offered educational opportunities to become prepared for academic challenges at the college and university level, as well as for any future career choices they might make. The unique aptitudes and abilities of every student demands that we support each one so they may develop a positive self-image and the confidence to achieve.

Coupled with a solid academic program, TCA is focused on the development of the student as a whole person. This means that we are concerned about spiritual growth and character development as well. Biblical truths are taught to provide a foundation from which students may draw in order that they have knowledge to make excellent choices which will establish them for a lifetime. Our desire is to prepare our students to be men and women of integrity, honor, dignity, and trustworthiness. We believe that these essential characteristics flow out of our faith in and relationship with our Lord, Jesus Christ.

MISSION/VISION STATEMENT

TCA strives for high academic excellence in education by equipping students to be conformed to the image of Jesus Christ by shaping hearts and sharpening minds. TCA strives for excellence in all aspects of spiritual, academic, social, and personal development. The school ministry is designed to serve Christian parents who desire a Christian education for their children. It is an integral part of The Church and adheres to the church's standards, beliefs, purposes, and vision.

TCA will obey Scripture to educate children of Christian families by:

- ❖ Serving the church.
- ❖ Partnering with parents and their home church.
- ❖ Building student's faith, character, and skill.
- ❖ Being excellent stewards of the resources God provides.
- ❖ Glorifying God and passing the Gospel of Jesus Christ onto generations.

EDUCATIONAL OVERVIEW

EDUCATIONAL PURPOSE

Our desire is for Jesus to be in the center of every part of this school and for the Holy Spirit to be free to move. The primary purpose is to glorify God within the school setting by:

- ❖ Providing opportunities for the student's faith to be encouraged and strengthened by example, study, and prayer.

- ❖ Training children in obedience and discipline.
- ❖ Providing a curriculum with high standards, challenging each child to do his/her very best, "*as for the Lord*" (*Colossians 3:23a*).

Buildings, desks, books, rules, and regulations do not make a school. People gathered for the purpose of education make a school. People gathered in the name of Jesus make a Christian school. People gathered as servants of Jesus, under the liberty of the Gospel, following the guidance of the Holy Spirit find not only the finest education in a unique setting, but they become changed into the likeness of Christ. *2 Corinthians 3:18* expresses this so well: "*But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as from the Lord, the Spirit.*"

EDUCATIONAL OBJECTIVES

EDUCATIONAL PHILOSOPHY

What does it mean to “share the mission/vision of the school”? Our teaching ministry fits into The Church’s overarching mission and vision – Being Conformed to the Image of Jesus Christ – To His Life, To His Mind, To His Mission, To His Promises. TCA’s teachers and staff will:

1. Assist parents in educating their children.

Scripture clearly declares that a child's training and education is the responsibility of his/her parents:

“Hear, O Israel! The Lord is our God, the Lord is one! You shall love the Lord your God with all your heart and with all your soul and with all your might. These words, which I am commanding you today, shall be on your heart. You shall teach them diligently to your sons and shall talk of them when you sit in your house and when you walk by the way and when you lie down and when you rise up. You shall bind them as a sign on your hand and they shall be as frontals on your forehead. You shall write them on the doorposts of your house and on your gates.”
Deuteronomy 6:4-9

“Children, obey your parents in the Lord, for this is right. Honor your father and mother (which is the first commandment with a promise), so that it may be well with you, and that you may live long on the earth. Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord.”
Ephesians 6:1-4

Parents engage our help in this area, by supporting our authority over their child. In partnership with parents, our authority is legitimate and to be responsibly exercised. We are temporarily standing in the place of the parents and serving the parents in this capacity. Consequently, TCA will:

- ❖ Listen and prayerfully consider parents’ concerns and suggestions.
- ❖ Always uphold and honor parental authority before students. A teacher’s words and actions will be in agreement with the Christian home.
- ❖ Keep parents well-informed about their child's progress. This is more than an institutional requirement for teachers. It is one way we help parents fulfill their God-given responsibilities.

2. Implement a curriculum that is shaped and governed by God's Word.

To be truly Christian, the educational process at our school must involve much more than the presentation of a Bible-enriched curriculum. It must be a process in which the Word of God governs and informs every subject, activity, and idea we employ. We must actively “*take every thought captive to the obedience of Christ*” (2 Corinthians 10:5). This involves:

- ❖ Continually re-thinking and re-working courses and teaching methods in terms of the framework and principles God shows teachers in His Word.
- ❖ Seeking out the wisdom of other godly men and women in this area.
- ❖ Mastery in subject areas to the extent that we separate the wheat from the chaff in the realm of secular thought and can guide students in developing a similarly discerning Christian mind.
Therefore, I urge you, brethren, by the mercies of God, to present your bodies as a living and holy sacrifice, acceptable to God, which is your spiritual service of worship. And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect. Romans 12:1-2

3. Guide students in the path of wisdom as well as of knowledge.

Repeatedly, the book of Proverbs tells us that the primary objective of parents is to give their children wisdom (*Proverbs 2:1-2, 4:1-13*).

Wisdom is praised as the greatest treasure one can gain. Nothing desirable can compare with it; all other good gifts – happiness, honor, peace, long life, wealth – accompany wisdom. Wisdom is the special possession of the Lord who stores it up for His children. For these reasons the model father in Proverbs continually urges his son toward wisdom by saying, “*seek it, love it, prize it, guard it, heed it.*”

Imparting wisdom is a central objective, as teachers and staff stand temporarily in the place of the parent. We should never be content merely to pass on information or academic skills with no regard for how those things are to be used for God's glory. Instruction that only furnishes the mind, making the student clever without cultivating godliness, has failed in the most serious way possible. The student has become an educated fool, doubly dangerous to himself/herself and to others. Thus, our efforts must constantly be directed toward developing the following characteristics in students:

- ❖ The Fear of God – Scripture tells us in several places that wisdom begins with the fear of God. “*The fear of the LORD is the beginning of knowledge; Fools despise wisdom and instruction.*” “*The fear of the LORD is the beginning of wisdom, And the knowledge of the Holy One is understanding.*” *Proverbs 1:7; 9:10*

This godly fear is a heart attitude of awe, worship, and thanks before God that brings forth obedience to His commands. Because it flows out of the heart or inner person, an individual must be regenerated by God's Holy Spirit before he can truly fear God. This may seem to create a dilemma since instruction, even to begin to attain this objective, waits on something we have no power to do – give the student a new heart. Yet Scripture repeatedly commands parents and so, TCA staff as well to teach their children to fear God (Deuteronomy 4:10, 5:29; Psalms 34:7; Proverbs 2:5). We are to understand from this that the Holy Spirit normally works in and through people such as ourselves to bring salvation to others. Thus, we should teach the fear of God by precept and example, prayerfully relying on God's concurrent action to change the student's heart.

- ❖ A Biblical Worldview – A worldview is the framework of beliefs about God, man, creation, human society, and history held by an individual. This framework shapes and holds together everything the individual claims to know. Because it is his/her basis of understanding or interpreting everything he/she notices or thinks about, a worldview can be compared to a set of eyeglasses through which a person sees himself/herself and the world. Speaking of these matters, Christ says, “*The eye is the lamp of the body; so then if your eye is clear, your whole body will be full of light. But if your eye is bad, your whole body will be full of darkness. If then the light that is in you is darkness, how great is the darkness!*” (*Matthew 6:22-23*). The Biblical Worldview starts with the understanding that Scripture provides a normative guide for exploring academic subjects and topics, and conceptualizing the material world as well as the world of ideas. Our task is to make clear to the student the framework Scripture provides for each subject. We must sharpen the student's discernment by training him/her in the work of sound thinking, continually prodding him/her to look beneath the surface of the statements and claims he/she encounters so that he/she may examine the underlying beliefs. By this practice, the student will gain experience in distinguishing right from wrong and in detecting the falsehoods that may lurk beneath impressive rhetoric.

- ❖ The Skills of Life-long Learning – Because most of the student’s life will take place outside the bounds of formal schooling, most of his/her learning should be the result of self-teaching. If it is not, his/her learning will stop, or at best halt when no teacher takes him/her by the hand. For this reason, equipping the student to learn for himself/herself should be a fundamental objective in all teaching. The student must master certain skills in order to be a life-long learner. These fall into two broad areas. First, the student must enjoy a thorough comprehension and command of communication skills such as reading, writing, speaking, and listening. Second, the student must be able to exhibit critical-thinking skills in research, logic, and ciphering, as well as in perceiving and coping with inference and ambiguity.
- ❖ An Orientation toward Service in God's Kingdom – In an environment as highly social as is a school, there are many opportunities for you to encourage the student toward acts of service and kindness. Students are also capable of performing tasks that would be welcome outside the school property, projects that benefit the church and/or the community. Scripture makes clear that everything a person does, not just those acts deemed religious by onlookers, can and should be performed as service to God (*I Corinthians 10:31*). Any work, if it is not against God's Law and if it is carried out as unto the Lord, is service in God's kingdom. For this reason, encourage your students to aggressively pursue their interests and aptitudes as they prepare for future employment. God has some sphere of activity that He wants each student to take in hand for His glory.
- ❖ A Commitment to Excellence – Students are naturally inclined to travel easy paths, not challenging ones. But there is no easy path to excellence. Achieving excellence requires great patience and diligence. This truth will be reinforced in the classroom by maintaining high standards for all student work and behavior. Students will learn that excellence in self-discipline is well worth the cost it takes to achieve. Teachers will praise students as they progress, encourage and prod those who lag behind, and reward the diligent. By doing so, this will help students internalize the standards to which we are holding them. They will come to have joy in a job well done and so prove to be highly valued and sought-after members of society. *"Do you see a man skillful in his work? He will stand before kings; he will not stand before obscure men" (Proverbs 22:29)*. More importantly, they will please the Lord by exercising good stewardship of His gifts.

No teacher or school completely shapes the character and mind of any of the students. They are persons, possessing minds and wills of their own that only God has the power to shape exactly as He wishes. Yet it is clear that God expects parents, and all those who instruct, to have great influence on children. *"Train up a child in the way he should go and even when he is old he will not depart from it" (Proverbs 22:6)*. The ordinary way God extends the blessings of wisdom to each succeeding generation of young people is through the faithful instruction of parents and teachers.

Since Abraham will surely become a great and mighty nation, and in him all the nations of the earth will be blessed? For I have chosen him, so that he may command his children and his household after him to keep the way of the LORD by doing righteousness and justice, so that the LORD may bring upon Abraham what He has spoken about him." *Genesis 18:18-19*

SPIRITUAL ACTIVITIES

Bible Class: Bible is a required course at TCA. A unit credit per each year of attendance is required for graduation.

Chapel: Attendance at chapel services is required of all students. Chapel will incorporate a variety of media and methods in presenting Jesus Christ and His teachings. Visiting speakers and dramatic and musical presentations are utilized to enhance student interest. Student participation is a part of every chapel service.

Prayer Meetings: Prayer is considered a vital part of one's relationship with God. Students will be encouraged to attend prayer gatherings. These may be at designated times during a given day or a special prayer event like National Day of Prayer.

SCHOOL INFORMATION AND POLICIES

ADMISSION POLICY

TCA is based on several elements reflecting each family's commitment to a Biblical worldview and related practices. TCA is available to Christian families interested in securing a Christian education for K3 – 8th grade children. Children entering K3 must be completely potty trained and three years of age by September 30. Those entering K4 must be four years of age by September 30 and those entering kindergarten must be five years of age by September 30. TCA does not discriminate on the basis of gender, ethnicity, or age in the administration of educational policies, admissions procedures, and other school-administered programs. However, we reserve the right to deny admission or continued enrollment to any individual whom we feel will not benefit from our educational program. We also reserve the right to deny admission or continued enrollment of any student whose lifestyle is not in harmony with the stated philosophy, purpose, or standards of TCA.

Our governing board has established the following standards for entrance into TCA:

- ❖ A parent must give testimony of his/her saving relationship with Jesus Christ. (*1 Corinthians 7:14*)
- ❖ A parent must provide evidence that he/she, and the student, are “*not forsaking the assembling of ourselves together, as is the manner of some (Hebrews 10:25)*” by providing a completed church verification form.
- ❖ Parents should be in agreement with our basic objectives and Statement of Faith and should be willing to actively support our educational program. (*Amos 3:3*)
- ❖ The parents and students must provide evidence of a willingness to submit to the standards and regulations of our school by agreeing to the Code of Honor and Contract of Enrollment/Pledge of Excellence found in the application package. (*Hebrews 13:17*)
- ❖ New students will be accepted, as space is available. Acceptance is determined from multifaceted criteria. No enrollment request is processed until all the admission forms are returned to the school office.
- ❖ The applicant's record of behavior in his/her home, community, school, and church must indicate that we, at TCA, can be reasonably confident they will remain faithful to the promises made at the time of admission while associated with our school. (*Proverbs 25:19*)
- ❖ A student must be in good standing with the former school.

- ❖ Students without standardized test scores will be tested to determine appropriate grade placement.
- ❖ Should the applicant have performed below his/her grade level, evidenced by recent grade reports or standardized achievement test scores, the child may be admitted on academic probation or placed in a lower grade, upon consultation with the parent prior to enrollment.
- ❖ To be admitted, all families must be interviewed. It is desirable for students being admitted to attend the interview. For students in fifth grade or above, attendance at the interview is required.
- ❖ All new students are on probation for the first quarter. Just as parents and students must determine how they fit into TCA's environment, school personnel must evaluate the compatibility of new students with the present learning environment.
- ❖ Grades will transfer according to TCA standards.
- ❖ Parents and students should not be involved in practices that would be considered illegal, or considered by TCA as immoral or inconsistent with a Biblical Worldview.
- ❖ TCA does not except students who are married or pregnant, who become pregnant, or who are either mothers or fathers of a child.

TCA provides registration for the upcoming school year beginning in January of each year. On January 1st, registration opens to current TCA students and their immediate family members. Those not registering by March 1st risk the possible loss of their place at TCA the following year. Beginning in March, registration is open to new students. The following information is necessary when applying for admission to TCA. Please provide only the information that applies to the grade your child is entering. Interviews will not be scheduled until the following documents have been provided.

Students are admitted on an individual basis following an interview with the student (5th - 8th grade) and parents. During the interview school policies, curriculum, academics and behavioral guidelines are explained. A commitment to conform to these policies and requirements is a prerequisite for admission. - ❖ A zero is the student's failure to perform ANY of the criteria required by the assessment instrument.
- ❖ No new material will be introduced on an assessment instrument. Graded daily work, homework, quizzes, and tests are not to be learning vehicles. They are designed to reinforce what has been learned through lecture, class discussion and other classroom activities.
- ❖ Only failing (F) test grades may be raised by retesting **at teacher discretion**. The teacher will average the two tests together and replace the failing grade with the average of the two. This rule does not apply to cumulative exams.
- ❖ Each subject will have no less than nine grades per quarter.
- ❖ Students who routinely score below 67 may have a test modified at the discretion of the teacher. Long-term modifications require permission and ongoing consultation with the Principal. In addition, extra credit may be provided at the teacher's discretion. However, the extra-credit assignment must be fulfilled within the same quarter of the grade.
- ❖ There will be no more than three tests scheduled in one day, except for make-up and special circumstances.
- ❖ Examinations allow us to evaluate student's progress. The best way to demonstrate progress is to apply effective study techniques, conscientiously and consistently.

NINE-WEEK EXAMS – 4th – 8th grade

Exams cannot count for more than 20% of the nine-week grade. While the actual form of the test is left up to the teacher's discretion, the test is intended to be comprehensive. Any material covered in class during the semester should be considered as appropriate for inclusion on the final exam. The testing schedule limits students to no more than two exams per day, except for make-up and special circumstances. Once on campus, students may not leave until they have completed their exams for the day.

ACHIEVEMENT TESTS

Students in grades 3rd – 8th grade are given the ACT Aspire standardized test in the spring of the school year to determine their progress and scholastic strengths and weaknesses. The results of these tests, as well as overall results of the school, will be made available to the parents. TCA includes standardized test taking skills in its curriculum.

ATHLETICS, CLUBS, AND PROGRAMS

High academic standards must be maintained to be a member of clubs. Each club sponsor will issue guidelines and academic eligibilities to maintain membership.

ATHLETICS

When a student participates in any athletic program, they will be issued an Athletic Handbook. All rules and regulations are expected to be followed, and failure to do so could result in ineligibility to participate in TCA's athletic program. Athletes are regarded as leaders in the school and are expected to always present themselves accordingly.

CLUBS AND ORGANIZATION

TCA's various clubs afford each student an opportunity to explore areas of interest. These clubs also provide interchange between our students and those in other schools. Membership requirements will vary accordingly:

Beta Club
Art Club
Lego Club
Fundraiser Club

Book Club
Crochet Club
Science Club
Student Worker Club

Pep Squad
Game On Club
Fishing Club

ATTENDANCE

Regular attendance is essential to success; students should make every effort to be consistent in their attendance. Schoolwork involves participation in discussions, demonstrations, laboratory activities, development of study skills, interactions among students and teachers, and visual and oral presentations that are difficult, if not impossible, to repeat. Consequently, a student who has an excessive number of absences will miss out on a large percentage of the learning process at TCA. Weather conditions and other obvious reasons will provide exceptions as determined by the Principal. Each teacher will keep accurate records of absences and tardies in RenWeb. Family vacations and trips should be scheduled during school vacations since it is often difficult for a child to make up work. Should it be necessary for a student to miss school for personal reasons, it is the parent's responsibility to obtain all work that is to be made up, in advance of the trip, from the respective teacher. If missing school for personal reason, all work is due when they return to school.

No student can participate in a sports event or any other extra-curricular activity unless he or she is present for that entire day.

CHECKING IN/OUT PROCEDURE

If a student has to check in for the day, he/she must present a note to the office explaining the reason for his/her absence. The office will give the student an admit slip to enter class. If a student has to check out of school early, they must be signed out in the school office. The person picking the student up must be 18 years or older, have a proper picture ID, and be listed on the student's profile as authorized to pick the student up. Please do not be offended when asked to show an ID as this is a protective measure to keep our students safe. **Students will not be allowed to check out after 2:45pm.**

PROCEDURE REGARDING ABSENCES

The student's parent is to notify the school as early as possible on the day of the student's absence. The school office may call a parent to verify an absence. Upon the student's return, he/she is responsible for bringing a signed note from a parent to the office before attending class.

EXCUSED ABSENCES

Excused absences will be granted for the following reasons: illness, death in the family, or previously arranged doctor's appointments. Requests for extended absences should be sent to the administration in writing at least one week prior to the absence. Excused absences are included in the calculation of maximum allowable days missed.

MAKEUP WORK FOR EXCUSED ABSENCES

Elementary (K3-4th Grade) – Students are required to make up all missed assignments as directed by their teacher’s policy. It is the parent’s or student’s responsibility to obtain a list of assignments missed by either accessing RenWeb and/or contacting a peer. If a student is absent for only the test day, he/she should be ready to take the test the day they return to school.

Middle School (5th – 8th grade) – Students are required to make up all missed assignments as directed by their teacher’s policy. Students may make up and receive full credit for assignments missed during absences provided that the absence is excused and an accompanying note or email is on file. The following guidelines apply to make up work for excused absences:

1. Students are responsible for securing a list of assignments missed by either accessing Student/Parent RenWeb and/or contacting classmates.
2. A student absent only on the test day should be ready to take the test the day he or she returns to school.
3. Students are limited to four make-up tests per semester unless a doctor's excuse is submitted verifying a long-term illness.
4. Special consideration must be approved by the administration and will be applied only in the event of legitimate and appropriately documented periods of extended absence.

UNEXCUSED ABSENCES

Unexcused absences are absences for which approval was not granted, or a note explaining the absence was not submitted. Unexcused absences include but are not limited to the following: absences for personal or family convenience, students out of class without permission, or students leaving campus without permission. Students who are not in class or have left campus without permission will be disciplined.

MAKEUP WORK FOR UNEXCUSED ABSENCES

All students must bring a note signed by a parent **the day** they return to school in order to make up work. It is the parent’s responsibility to notify the school of unexpected absences of more than one day by calling the office and emailing the teacher. If an assessment is missed while a student is out, the student will receive all missed work the day they return to school. This will give them time to get the information that they missed and prepare for the assessment. Students are required to make up all missed assignments by the date given by their teacher.

EXCESSIVE ABSENCES

Regular attendance is required by Louisiana law and necessary for the successful completion of grade-level requirements. Daily attendance is a permanent record for each student at The Church Academy. Students and parents are held accountable to regular attendance as defined by the state. The state law requires that students be present for a required number of minutes to progress to the next grade/course. Students in grades K4-8 may not miss more than 20 days of school per year (excused or unexcused).

PERFECT ATTENDANCE

For a student to receive perfect attendance for a school term, the student must attend school every day, all day, if a child checks out, it will be considered an absence. If a student returns with a doctor’s excuse, the absence will be considered an excused absence; however, it will disqualify them from perfect attendance. An absence due to a school-related activity will not affect perfect attendance.

WITHDRAWALS AND DISMISSALS

Withdrawals must be done through the school office by a parent. A student will be considered absent until a withdrawal form and a parent exit interview has been completed. These absences will be made a part of the student's official record.

TCA reserves the right of the immediate dismissal of any student due to not abiding by TCA policy and/or procedures. Grades, student records, diplomas, etc., will not be released until all textbooks and workbooks have been returned and/or tuition account has been cleared.

CHAPEL PROGRAM

The TCA Chapel program is an integral part of TCA school life. All students are expected to attend. This allows faculty to be connected with student life and topics of discussion. The students will meet in the sanctuary between 7:40am-8:00am. Chapel will begin promptly at 8:00am. Devotional time will be on Monday, Tuesday, Thursday, and Friday mornings. We have guest speakers every Wednesday. Once a month, the TCA worship team will lead worship and each grade level will host a chapel service. Families are encouraged to attend.

In addition to our chapel services, from time to time small group prayer meetings are held. In these meetings, students have an opportunity to share their Christian experience on a more intimate level. The Lord frequently moves in these meetings to meet students' spiritual needs as they pray with and for each other.

CHURCH ATTENDANCE

Each student and at least one parent are required to attend a local Bible-believing church. From time to time, TCA may contact a family's church pastor to verify their membership and attendance. Any family not attending a local church will be asked to withdraw their child(ren) from TCA. All parents, including members of The Church, are required to complete a Pastoral Recommendation Form in order to attend TCA as part of the application and re-enrollment process. This will take place each year.

COMMUNICATION

Good communication among faculty, students, and parents requires effort, mutual concern, and trust.

- ❖ For grades K3-4th grade, parents are asked to check and sign their student's take-home folder daily.
- ❖ Parents are encouraged to use email to communicate with the teachers. Please allow 24 hours for the teachers to respond.
- ❖ Grades will be posted within three to five days of the assessment with the exception of graded paper assignments.
- ❖ All assignments will be posted weekly on RenWeb.

COMPLAINT PROCEDURE/APPEAL PROCESS

If you become dissatisfied with the school in any respect, please use the *Matthew 18* principle and seek to resolve the matter with the person or persons involved, rather than begin to spread criticism, listen to criticism, or hold a negative attitude in your heart. *“If your brother sins, go and show him his fault in private; if he listens to you, you have won your brother. But if he does not listen to you, take one or more with you, so that by the mouth of two or three witnesses every fact may be confirmed. If he refuses to listen to them, tell it to the church; and if he refuses to listen even to the church, let him be to you as a Gentile and a tax collector. (Matthew 18:15-17)*

The following procedure is used by the faculty and taught to the children. Parents are requested to use this procedure any time there is a complaint.

1. **Pray about it.** First and foremost, go to the Father for wisdom, insight, and guidance. Bathing the entire situation in fervent prayer is a must. Ask God to help you make your complaint in a way that it will result in the betterment of our school, and thus, in the glory and growth of His Kingdom. Read and think about such passages as *Ephesians 4:1-3* and *Colossians 3:12-13*.
2. **Do not broadcast it.** Express your complaint only to the person who should hear it. Unnecessary worry, harm, and hard feelings result when problems and dissatisfactions are expressed to persons other than those directly involved with the problem.
3. **Tell it to the right person.** Complaints about school policy or operations should be expressed first to the individual in question, and should be expressed to the administrator only if you cannot work it out between yourselves or if you feel she should know about it.
4. **Express it promptly.** Keeping it to yourself can cause ill feelings. Get it out of your system. *Matthew 5:23-24*
5. **Express it clearly.** Make sure the person you are expressing your complaint to knows all of the details of the situation and exactly what you are complaining about and why. Misunderstanding of complaints could lead to further problems and needless hard feelings.

If a complaint is made to or about you, understand what the complaint is and why it is being made. Give it prompt attention, and make it a growth experience. Pray about it and ask God’s wisdom in solving the problem.

DELIVERIES

All deliveries are to be made to the school office labeled with the student’s name & grade. All deliveries will be brought to the student during breaks so the class will not be disturbed. Lunches will not be delivered on a regular basis. Students are not allowed to receive outside food delivery services during school hours.

DISCIPLINE/DISCIPLESHIP

We believe that discipline is an integral part of the educational process. We understand discipline to be an environment in which students can best learn to follow the Lord and respect authority. Discipline is a total environment where growth is maximized by drawing proper boundaries and enforcing the necessary policies for personal development. The TCA philosophy regarding student behavior is based upon the merits of discipleship. A disciple of Jesus Christ seeks to follow rules and regulations because

of a heartfelt response to honoring God. Therefore, teachers will strive to encourage discipleship and student growth when handling discipline issues.

Rules and procedures are used to encourage proper habits, enabling the student to become self-disciplined. These rules will be clearly and concisely presented to the student. TCA faculty will provide an atmosphere and order that is essential in allowing a student to strive for a Spirit-controlled, Christ-like life. Faculty will also strive to document patterns of misbehavior or bad habits in order to provide objective information available for conferences. Teachers are responsible for addressing inappropriate behavior.

Firsthand knowledge of things like cheating, fighting, vandalism, theft, or any illegal behavior must be reported to the administration. It is the intention of TCA that the Principal shall handle serious disciplinary matters.

TCA faculty will be trained in biblical practices for discipline. TCA expects full cooperation from both students and parents in the education of the student. If at any time the school feels that this cooperation is lacking, the student may be dismissed. Also, if a student's behavior indicates an uncooperative spirit, he/she may be dismissed.

Failure to follow TCA's student expectations will result in several consequences, some of which may include: scriptural writing, removal from classroom, demerits, suspension, and/or dismissal. We expect to follow scriptural guidelines for giving correction in order that our children will become self-disciplined individuals. At times, there may be need to use the rod of correction with a child. Parents will be informed during all levels of disciplinary action. Warrior Reward Day will be awarded to eligible students as part of our reward system.

The Bible declares that we should, *"Train up a child in the way he should go and when he is of age he will not depart from it."* We feel that it is a God-given responsibility for us to educate, train, and discipline each child in a way as to bring him/her to spiritual and social maturity. The application of discipline and correction is painful for both the recipient and administrator, but it is nonetheless imperative. Discipline is a demonstration of love.

Hebrews 12:6 declares, "Whom the Lord loves, he chastens. God deals with you as with sons... now no chastening for the present seems to be joyous, but grievous: nevertheless, afterward it yields the peaceable fruit of righteousness unto them who are exercised thereby."

There are five basic convictions that the school attempts to instill in students. These convictions are the basis for all discipline performed at our school. A student who is disciplined for misbehavior is disciplined for having failed to demonstrate an acceptance of one of these five convictions. These convictions are respect for God, respect for authority, respect for others, respect for property, and respect for school rules.

1. Respect for God

We are a Christian school. We believe in a supreme God who holds men accountable for their actions, their words, and the thought of their hearts. He is a God who is to be loved (because He first loved us), worshiped (because He only is worthy), honored (for all that He is and has done), and entreated (because of His many promises). At TCA, we desire to develop a deepening relationship with God through Jesus Christ. Any student who demonstrates a lack of respect for God is of great concern to the school. The student will be jointly counseled by parents and staff. Depending on the outcome of the counseling session, the student may be dismissed.

2. Respect for Authority

Respect for God leads to respect for authority. The development of humility and submission to authority are essential qualities necessary for receiving God's grace for growth and service (*I Peter 5:5*). Everyone needs to grow in humility and submission. Teachers are under the authority of the administration, and the administrators are under the authority of the church. Students must learn to demonstrate a willingness to submit to those who have been placed in authority over their lives, including their parents, teachers, administrators, coaches, pastors, and governmental authorities. A student's lack of respect for authority is of great concern to the school because, through his attitude, the student is challenging the order of authority established by God. A student who demonstrates a lack of respect for authority will be counseled by school staff. Depending on the outcome of the counseling session, the student may be suspended or dismissed.

3. Respect for Others

Jesus teaches us that the two greatest commandments are "*to love the Lord your God... and to love others as yourself.*" In practice, these commandments teach us that we need to be sensitive to those around us and to act in a manner that edifies, encourages, strengthens, and assists our neighbor. Students, at times, can hurt, degrade, or hinder others by their actions. Such students will be corrected immediately once the problem is made known. Students demonstrating a pattern of this behavior will be disciplined according to the best judgment of the administration. Students need to realize that Jesus made love for others the chief characteristic which enables the unbelieving world to recognize His followers. Honesty and trustworthiness are two virtues that demonstrate respect for others. The individual who lies or is untrustworthy manifests a lack of concern for others. When others cannot trust a person's words or actions, his own witness toward God becomes suspect. Honesty and faithfulness will be encouraged at TCA by every reasonable means that is available.

4. Respect for Property

Students who steal, cheat, plagiarize, vandalize, or put graffiti on walls are expressing a disregard for other people's property. A student exhibiting such behavior will be promptly disciplined.

5. Respect for School Rules

In any institution, certain rules unique to that institution must exist for the purpose of accomplishing the institution's goals and purposes. These rules are only necessary at a given time or place. At TCA, there are some rules designed to promote our goals and purposes which do not apply to other areas of life. Such rules include our uniform guidelines, classroom procedures, absence notes, and tardies. Students need to learn to respect man-made rules that are designed to accomplish beneficial goals. To say that these rules can be ignored because they are not God-given or are not universally applicable would at times cause chaos and prevent a teacher from accomplishing the tasks of educating students. Therefore, some degree of discipline is necessary to prevent the violating of school rules. The discipline is usually mild since the behavior is not considered as severe as breaking a moral law. A student, however, who consistently refuses to respect school rules, who consistently disrupts a class, who is often out of class, or who in some other manner shows a disrespect for the school may be suspended or dismissed from TCA.

POSITIVE BEHAVIOR

TCA will implement a positive behavior policy to help students learn to be good disciples. *“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.” (Galatians 5:22-23).*

1. **SHIELD Coupons** – SHIELD is an acronym, for the students meaning, Serving Humbly In Excellence and Learning with Diligence. When a student is seen exhibiting a fruit of the Spirit, that child will receive a SHIELD coupon. The students exchange their shield coupons for a reward at the Warrior Wagon.
2. **Coins** – Administration gives students a “caught being good” coin that is worth five shields when a student is seen exhibiting a fruit of the Spirit.
3. **Spirit Day** – Students may wear a “Spirit Day” shirt every Friday if good behavior is exhibited. Spirit day shirts are any TCA-purchased t-shirt, sweatshirt, or jacket.
4. **Warrior Reward Day** – Takes place at the end of every quarter. Students that have received four or less demerits that quarter will participate in fun activities for several hours that day.
5. **K3 and K4** students who receive blue all day will receive 5 shields for that day.

DISCIPLINE PROCESS

The following list various offenses to the school Code of Honor and/or rules, regulations, and policies. This listing is not meant to be exhaustive but illustrative, and the schedule is ranking in order of severity which should earn, accordingly, progressively severe disciplinary measures.

The faculty and administration will employ a wide variety of disciplinary tools to bring about the desired corrective behavior. As the severity and/or frequency of offense increases, so will the disciplinary measures. Students who receive more than four demerits in a nine-week period will not be allowed to participate in Warrior Reward Day.

DISCIPLINE - K3-3rd Grade

At TCA, we believe that our greatest treasure is your child. It is our sincere desire to nurture every aspect of his/her total development. At times however, certain misbehaviors may necessitate the use of a predetermined plan of discipline.

A discipline referral form is used whenever a student is sent to the office. A copy of the referral will be sent to the parents. Discipline is a partnership between the home and the school. Good communication is a deterrent to inappropriate behavior. Parents will be called upon to assist in corrective disciplinary measures as needed.

It must be understood that TCA cannot tolerate the following:

- ❖ Refusal of parents for their child to be disciplined.
- ❖ Repeated aggressive and/or intimidating behavior by one student to another or towards a teacher.
- ❖ Repeated disruptive behavior that hinders the learning/teaching process.

At the close of any disciplinary action, it is our goal that forgiveness be stressed, and the child reassured of his/her personal worth and importance in the classroom. We want the child to know that he/she remains in relationship with teachers, classmates, and school administration.

Students' conduct will start over each day in K-3 through 4th Grade.

The following is the behavior chart:

Blue	Excellent	
Green	Satisfactory	A mark on their conduct chart
Yellow	Satisfactory	Five-minute time-out from recess, constructive play, or art (not academic time). The time-out consists of the child not participating in the nonacademic activity.
Orange	Needs Improvement	Additional ten minutes missed from recess, constructive play, art (not academic time) – the teacher informs the parent through text or phone call.
Red	Needs Improvement	Student will receive a "Think Sheet"-Must be signed by parents and returned to school the next day.
Black	Unsatisfactory	The student is sent to the Principal's office and the behavior is recorded in RenWeb. <i>1 Demerit issued</i>

- Students who are sent to the office for discipline will be subject to disciplinary action as follows:
 - Student Conference, Prayer, Lunch Detention, After School Detention, TOR (Time Out Room with student work), Parent is Called (administer the rod or take the student home), ISS, OSS, Behavior Contract

After the 5th visit to the office, a review of the student's discipline record may result in a behavior contract or administration removing the student from The Church Academy

ELECTRONIC DEVICES

- ❖ Cell phones may not be in the possession of any student at any time.
- ❖ If a student is caught in possession of a cell phone during the school day, the phone will be confiscated and kept in the school office. The confiscated cell phone will remain in the office until a parent conference is scheduled with the administration to review the cell phone policy and address the violation. Additional offenses may result in disciplinary action.
- ❖ **All other electronic devices will be confiscated** and will be held in the office until the last day of school in May. This includes but is not limited to cameras, iPods, MP3's, CD players, and game devices.
- ❖ Students are not allowed to bring Personal Electronic Devices (PEDs) to TCA. **The use of PEDs by students during the school day is strictly prohibited.** PEDs include, but are not limited to, cellphones, laptops, tablets, gaming devices, ipads, ipods, and video recording or player devices of any type or format. The school day is from 8:00am to 6:00pm and includes lunch, recess and Warrior Care. If a student must bring the PED to school, it must be checked in at the office in the morning by a parent or guardian and can be picked up in the afternoon by a parent or guardian. Any PED seen by an administrator, teacher, or other in authority at TCA will be confiscated. **It is the school's right to review recent calls and/or text messages on a cell phone confiscated during a school day or school activity.**

TCA no way responsible for any theft or damage to any PED, even those confiscated by the school. All PEDs should be labeled or clearly marked to identify the owner.

BULLYING/INTIMIDATION

TCA considers bullying or intimidating behavior a serious offense. Every TCA student has the privilege to be safe from bullying behavior and physical, verbal, or cyber harassment while in the care of TCA. Verifiable incidents of bullying or intimidation either physical, verbal, or cyber will be disciplined. Parents and students should contact the teacher and administration when an incident occurs. The administration will deal with the incident sternly. Consequences will vary depending on the severity and number of occurrences.

LEARNING DISABILITIES AND MEDICATION

There are diagnosed learning disabilities for which students may take a prescribed medication; however, medication will not be an excuse for inappropriate behavior.

ELEMENTARY DISCIPLINE CONSEQUENCES

The purpose of discipline is to bring about corrective behavior and restore the student to good standing with the Lord, TCA, administration, the faculty and his/her peers. TCA has developed a system of progressive discipline which provides a framework of corrective consequences for violations of school rules.

TCA may utilize a variety of disciplinary actions to accomplish desired behavioral results. TCA may modify or amend these disciplinary guidelines at its sole discretion. The administration reserves the right to administer a variety of consequences, based on the severity of the offense and the student's behavioral and disciplinary history with the school.

1. **Discipline by Teacher** – The first line of discipline is the teacher. Each teacher will establish criteria of behavior for his/her classroom. The teacher may give a warning, corrective assignment, isolate the student from the class, contact parents by phone or in writing, hold parent conferences, or refer the student to the office when the situation does not allow for resolution within the classroom.
2. **Counseling** – Students involved in certain offenses such as threats of violence, intimidation, vulgarity, etc., may be required, by the administration, to attend counseling from The Church.
3. **Demerits** – Teachers may refer a disruptive student to the administration for discipline. The administration will employ a variety of disciplinary measures to effect a positive change in the child’s behavior. This could include the loss of certain privileges, loss of recess, isolation, detention or corporal punishment. The goal of any disciplinary measure is to quickly restore the student to the classroom environment as a productive member.
4. **Corporal Punishment** – If corporal punishment needs to be involved in the discipline, the parent will have to attend the school and administer the punishment. When parents administer the punishment, the school will follow these guidelines: *“He who withholds his rod hates his son, but he who loves him disciplines him diligently.” Proverbs 13:24*
 - ❖ Student counseled by Administration/Teacher
 - ❖ Written notification signed by a parent and put in student’s file
 - ❖ Administered by the parent
 - ❖ Not to exceed three swats
 - ❖ The parent can sign a waiver to allow TCA administration to administer the punishment. It will be carried out only with parental permission and notification prior to its administration.
5. **Probation** – a contract of behavior and expectations will be signed by the student and parent. Any violation of the probation could result in dismissal.
6. **Suspension** – Suspension from classes may vary from one to five days depending on the severity of the offense, and may be served at school or at home as best serves the purpose. Suspension is an extreme measure of discipline reserved for extreme acts of misbehavior, disobedience and disrespect.
7. **Withdrawal** – Student is given the opportunity to resign and withdraw from TCA.
8. **Dismissal** – Student is removed from TCA by administrative decision.

CODE OF HONOR PLEDGE (5th – 8th grade)

Upon entering school, students are expected to maintain the highest standards of integrity, honesty, and morality. Further development of responsible behavior is a basic tenet of the Code of Honor pledge. Students will exhibit a good appearance at all times. Both dress and behavior should exemplify the high standards of Christian example. Students should exercise good taste and dress appropriately.

The Code of Honor Pledge was signed as part of the Registration Process. It is placed herein as a reference for you and as a reminder of your commitment to honor and integrity as a student of TCA.

CODE OF HONOR PLEDGE

In signing the Code of Honor, I fully recognize that TCA was founded to be and is committed to being a Christian institution, and that it stresses a lifestyle of commitment to Jesus Christ as personal Savior and Lord. This lifestyle of Christian commitment is an integral part of TCA’s philosophy and ministry. It is, therefore, my personal pledge to be a person of integrity and to have respect for what TCA represents in this community.

1. **I Pledge** to apply myself wholeheartedly to any intellectual pursuits and to use the full powers of my mind for the glory of God and the full development of my abilities. *Luke 2:52; Philippians 2:5; I Corinthians 1:5*
2. **I Pledge** to grow in spirit by developing my own relationship with God. I will exemplify Christ-like character through daily personal prayer and consistent study of the Word of God. *Matthew 7:7-11; James 1:22; I Peter 1:13-16; II Peter 1:10-11; Galatians 4:7*
3. **I Pledge** to develop my body through good health habits and by participating in wholesome physical activities. *I Corinthians 3:16-17; Romans 12:1*

DISCIPLINE – MIDDLE SCHOOL STUDENTS

On Campus Communication

- ❖ No student has the right to slander or libel another person.
- ❖ No student has the right to distribute written material or circulate a petition without the prior written approval of the principal.
- ❖ No student has the right to establish an on campus or off campus organization. All organizations must be approved, in advance, by the administration of TCA and may meet only with faculty supervision.

School Records and Private Information

- ❖ Students or legal guardians have the right to review their own student records with the principal present.
- ❖ No information shall be released to anyone other than a parent, legal guardian, the student or as otherwise authorized by the law except with written permission from the student and with the consent of the parent or legal guardian.

Drug/Alcohol Testing

- ❖ Students suspected of possible drug use will be tested at the expense of the parent regardless of whether they test positive or negative. Testing facility will be determined and assigned by the administration.
- ❖ On-site, random drug or alcohol testing may be required of any student at any time at the discretion of the administration. Drug and alcohol tests may be randomly conducted at social and extra-curricular events.

 - ❖ The phone will be confiscated and submitted to the office if it is seen or heard during class hours.
 - ❖ The student will receive 5 demerits which will result in no participation of Warrior Day.

Academic Integrity

- ❖ TCA upholds high standards of academic integrity. Students are expected to take personal responsibility for all academic work. Student work should be a product of that student's efforts and abilities and not result from unethical assistance from parents or other students. Sharing assignments or copying another student's work is considered inappropriate collaboration and will result in a grade of zero for that work. Teachers have the responsibility to enforce this principle and will do so as individual circumstances dictate.
- ❖ Verifiable incidents of cheating or plagiarism will be subject to severe penalty.
 - ❖ Zero grade for the assignment/project/test.
 - ❖ Academic counseling with the administration.
- ❖ Upon the second documented incidence of an academic integrity violation, the student faces additional and more severe penalties that could include suspension or dismissal.

Bullying/Intimidation

- ❖ TCA defines bullying as "aggressive behavior or intentional harm-doing which is characterized by an imbalance of power and carried out over time".

- ❖ TCA considers bullying or intimidating behavior to be a serious offense. Every TCA student has the privilege to be safe from bullying behavior, or physical, verbal, or cyber harassment while in the care of TCA.
- ❖ Verifiable incidents of bullying or intimidation whether physical, verbal or cyber will be disciplined.
- ❖ Parents and students should contact the teacher and administration when an assumed bullying incident occurs.
- ❖ The administration will weigh each incident according to the previously stated definition to determine if bullying has occurred. Incidents of bullying will be dealt with severely. Consequences will vary depending on intensity, number of occurrences and/or length of time the action has been ongoing.

Off Campus Conduct

- ❖ Students are expected to conduct themselves off campus in a manner consistent with their status as members of TCA.
- ❖ Felony and Misdemeanor -Violations of civil or criminal law involving conduct which would cause discredit to the reputation of TCA by being contrary to the moral, religious, or orthodox ethical principles of TCA or the policies, goals, and commitments of TCA make a student subject to disciplinary action, including suspension or dismissal.
- ❖ Activities proscribed by this regulation shall include, but are not limited to the following:
 - ❖ Attending, sponsoring, or participating in parties where alcoholic beverages or narcotics are sold, purchased, possessed or consumed.

This includes inappropriate e-mails, internet harassment, posting inappropriate pictures of students, or providing information that could potentially endanger the student body.

“Abstain from all appearance of evil.” (I Thessalonians. 5:22)

Middle School Discipline Procedures followed in the classroom

1. When a student disrupts the class, their name will be written on the board. This is their warning.
2. If a student disrupts again, a check will be placed by their name. This means they miss 5 minutes of recess.
3. If a student disrupts again, they will lose their entire recess.
4. If the student disrupts again, they will receive a “Think Sheet”. The “Think Sheet” is sent home with the student. Parents and administration will be contacted at this point. The student will complete the “Think Sheet” at home and have parents sign it.
5. All disruptions after this will result in the child being dismissed from the class to be disciplined by the principal.

MIDDLE SCHOOL (5TH – 8TH) DISCIPLINE CONSEQUENCES

The purpose of discipline is to bring about corrective behavior and restore the student to good standing with the Lord, TCA, administration, the faculty and his/her peers. TCA has developed a system of progressive discipline which provides a framework of corrective consequences for violations of school rules.

When administering discipline, TCA reserves the right to consider the student's prior record of discipline and to administer appropriate consequences for the student's actions. TCA may utilize a variety of disciplinary actions to accomplish desired behavioral results. TCA may modify or amend these disciplinary guidelines at its sole discretion. The administration reserves the right to administer a variety of consequences, based on the severity of the offense and the student's behavioral and disciplinary history with the school.

1. **Discipline by Teacher** – The first line of discipline is the teacher. The teacher may give a warning, constructive punish work, hold individual conferences with or without parents, contact parents by phone or writing, or refer the student to the office when the situation does not allow for resolution within the classroom. Demerits will be given by the teacher.
2. **Counseling** – Students involved in certain offenses such as threats of violence, intimidation, vulgarity, etc., may be required, by the administration, to receive counseling from The Church.
3. **Demerits** – When a student violates a behavior policy, they are issued demerits at the principal's discretion. The fourth time a student violates dress code, they are issued a demerit.
4. **Probation** – A contract of behavior and expectations will be signed by the student and parent. Any violation of the probation could result in dismissal.
5. **Out of School Suspension** – Suspension from classes may vary from one to five days depending on severity of the offense and may be served at school or home as best serves the purpose. A student will not be allowed earn any credit nor make up assignments or tests missed during the course of his/her suspension. All work missed due to suspension will be assigned a grade of zero. Suspension is an extreme measure of discipline reserved for extreme acts of misbehavior, disobedience and disrespect. Suspension will be viewed in its full measure of severity and therefore will not be rewarded with an opportunity to earn credit for work missed. No student shall be suspended more than three times. On the fourth time, the student will be withdrawn or dismissed.
6. **Withdrawal** – Parent is given opportunity to resign and withdraw the student from TCA.
7. **Dismissal** – Administrative involuntary withdrawal of a student from TCA.

Parents and students must realize that attending TCA is a privilege and not a right. Parents and students are expected to abide by the decisions and support the discipline of the administration.

DRESS CODE

The Bible tells us that whereas man looks at a person's outer appearance, God looks at our heart (*1 Samuel 16:7*). Modesty, safety, appropriateness, and good taste should characterize the clothing for students at TCA. The following dress code is clearly defined to promote consistency and allow enforceability. If the school is closed due to emergency situations, all scheduled extra-curricular activities will be cancelled.

EMERGENCY PROCEDURES

In case of severe storm warning or other unusual disturbance, students will be taken by their teachers to the safest parts of the building. In most cases, this will be the main sanctuary. LEGAL CUSTODY

If there is a legal custody dispute involving a student, the legal custodian of the student must supply TCA with a current copy of the court decree. Release of the student from that point forward will be determined by the instructions in the court decree. Without a legal document in the student's file, in accordance with Louisiana law, the student may be released to either parent, upon presentation of proper identification. TCA will not intervene, nor take sides in a disagreement between parents as to who shall have custody, who shall be able to visit the student at school, or who shall be able to pick up the child, until courts have decided the legalities of the issue. One parent instructing staff that the other parent is not to see or receive the student will not be accepted without a current legal document or a restraining order. School administrators will only use the current document that is **on file** at TCA.

FUND-RAISING

TCA endeavors to keep tuition rates low to make Christian education affordable to as many Christian families as possible. TCA depends on your support and God's blessing to keep our program operating. All families are expected to participate in TCA's fund-raising events. Students and staff are not permitted to fundraise on campus or before or after church service unless approved by the school administrative team.

GRADING

Grading is a form of feedback, which helps students to understand and reflect on their own learning. Our grading practices align with the objectives being taught and are easy for students to understand. Rubrics may be used for projects and other activities. Grades will be given back and updated using RenWeb in a timely manner.

REPORT CARDS

Report cards are issued through email each nine 9 weeks. When a student is continuously not performing well, teachers will notify the parents through a phone call, email, a note mailed home, or a request for a personal conference.

PROGRESS REPORTS

Progress reports are issued through email every four and a half weeks to allow students and parents to see their current grade in each subject.

GRADING SYSTEM

All grades are recorded numerically (percentages) and placed on the report cards and transcripts as letter grades. Students will not be promoted to the next grade if they fail ELA for the year.

The grading scale is as follows for grades 1st – 8th Grade:

A	Outstanding	90-100%	4 quality points
B	Good	80-89%	3 quality points
C	Satisfactory	70-79%	2 quality points
D	Poor	60-69%	1 quality point
F	Failure	Below 60%	0 quality points

The grading scale is as follows for grades K3 – Kindergarten:

E	Excellent	90%
S	Satisfactory	80%
N	Needs Improvement	65%
U	Unsatisfactory	0%

PROMOTION – K3 – 8th Grade

Students are promoted to the next grade on an evaluation by the teacher and principal of the child's progress in all major subject areas (math, phonics, and reading). Each of these areas needs to be successively completed in order to enter the next grade. The parent will be notified by the end of the re-enrollment period if the teacher is considering having the child repeat that grade.

HONOR ROLL

Academic honors have been established to recognize students who have demonstrated excellence in academics. These honors are determined and posted each grading period. The following are the three categories that are used at TCA:

- A Honor Roll** – Each subject for the period has a letter grade of an A.
- A/B Honor Roll** – Each subject for the period has a letter grade of an A or B.

ACADEMIC WARNING AND PROBATION

Students who have failed a course during a nine-week period are given an academic warning. Parents should note that the academic warning is automatically communicated through a failing grade on the student's report card.

If after receiving an academic warning the student continues to do poorly and fails again the next grading period, the student will be placed on academic probation for the remainder of the school year. Once placed on academic probation, the probation status cannot be removed until a full semester of work has been completed without any failing grades.

A student will be accepted to TCA on academic probation. The student has one semester to demonstrate that he can perform at an acceptable level at our school. Once a student has successfully demonstrated his/her ability, he/she will be removed from academic probation. If he/she does not demonstrate ability to perform in that time, he/she may be recommended for dismissal.

HOMEWORK

Homework is an opportunity to assess and reinforce student learning. It will be purposeful and will not be busy work. TCA believes that family time is extremely important. We do not want to take away that time from the family by giving unnecessary homework and/or projects. Some purposeful projects or assignments may need to be completed at home at the discretion of the classroom teacher. Each teacher is at liberty to give homework to aid the students to advance in their studies. Therefore, students are required to complete their homework assignments on time. Homework is given for several reasons:

1. **For drill** – We believe that most students require solid drilling to master material essential to their educational progress.
2. **For practice** – Following classroom explanation, illustration, and drill on new work, homework is given in order that the material will be mastered.
3. **For remedial activity** – As instruction progresses, various weak points in a student’s grasp of a subject becomes evident. Homework is given to overcome difficulties.

Homework must be turned in on the day it is due. Parents are encouraged to check that homework is done completely and accurately and to give help when needed.

LOST & FOUND

Parents and students are responsible for retrieving personal items that are brought to lost and found. Please label all items with first and last names. At the end of each month, unclaimed items will be donated.

LUNCH

Students can purchase a lunch from TCA’s lunch program or bring their lunch.

The following are TCA’s Lunch Program guidelines:

MEDIA & TECHNOLOGY

TCA recognizes that media and technology can be used as a tool of evil or as a tool for the edification of God’s children in learning. TCA will seek only to use media and technology for the glory of God in learning and encourages students and parents to do the same. Therefore, TCA computers will seek to block all sites deemed inappropriate/harmful by the school’s administration, leadership and teachers.

Ephesians 5:1-21 “...live a life of love ... there must not be even a hint of sexual immorality ... nor should there be obscenity ... coarse joking ... live as children of the light ... find out what pleases the Lord ... have nothing to do with the deeds of darkness, but expose them ... be very careful, then, how

you live, not as unwise, but as wise ... find out what pleases the Lord ... etc.” gives very helpful principles which inform our use of technology. TCA holds its reputation and name dear. “A good name is to be more desired than great wealth, Favor is better than silver and gold.” Proverbs 22:1.

The school expects TCA parents to monitor their student’s home internet use and considers them responsible for ensuring their students are using the internet according to biblical principles. TCA students are expected and required not to visit or participate in websites that do not fall in line with *Ephesians 5:1-21*.

The school’s administration and leadership reserve sole discretion in all ethical judgments concerning student media and technology use. Students who do not adhere to these scriptural principles in their media and technology use, as determined by TCA, may be subject to disciplinary action, including dismissal from TCA.

Children are welcome to celebrate their birthdays at school by bringing a small treat for their class. Birthday party invitations may be distributed to the class as long as an invitation is extended to ALL classmates or to all of the same gender.

SCHOOL CALENDAR AND HOLIDAYS

We align our school calendar with the local school district as closely as possible. This includes, but is not limited, to the following vacation days: Labor Day, Thanksgiving, Christmas, and Easter.

- ❖ Halloween – At TCA we do not celebrate Halloween. If students in class discuss Halloween, we will divert the conversation. Please also refrain from bringing Halloween candy or treats to share with the class.
- ❖ Christmas – TCA does not promote Santa Clause, Elves, etc. Our focus on this time is directed towards Jesus' birth. The teachers will not get into a discussion about Santa Clause being real or not. They will turn the attention and the focus to Christ. We will not outright tell them about Santa Clause, but instead divert the discussion to Jesus. Please be mindful with treats and snacks during this time.
- ❖ Tooth Fairy – TCA does not promote the tooth fairy. If students in class discuss the tooth fairy, we will divert the conversation.
- ❖ Valentine's Day – Some of our younger grades exchange Valentine cards that have scripture or encouraging words. Cards can be handmade, purchased online, or at Lifeway Christian Bookstore. The teacher will provide more information to you.
- ❖ Mardi Gras – TCA does not recognize or participate in any Mardi Gras functions. Students are strongly discouraged from participating or attending any functions associated with Mardi Gras. We have school during the Mardi Gras holiday.

All records are kept confidential.
